REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art has failed to suggest either singly or in combination a novel foldable chair. The applicant has disclosed the use of a pair of pivot units, each of which interconnects one of a left and right side section of a backrest and one of a left and right side section of a rear leg; along with two connecting units, each of which includes a pivot portion connected between a respective one of a left and right side section of the seat frame and a respective one of a left and right side section of a front leg. The applicant has further disclosed a connecting plate connected to the pivot portion and having an elongated slot to permit one of the pivot units to extend therethrough and to slide within; wherein when said chair assembly is folded, the seat frame, the backrest, and the front and rear legs lie substantially in the same plane.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Reference Nos. 5,730,489, 2,652,884, 169,015, French Patent No. 2,604,075 and European Patent No. 0291433 show features of the claimed invention.
